MORSELIFE

ANNUAL GIVING SOCIETY

2022/2023

“TO CARE FOR THOSE
WHO ONCE CARED FOR US
IS ONE OF THE
HIGHEST HONORS.”

– Tia Walker

MORSELIFE is
a **LIFELINE** for **SENIORS**.

MorseLife’s Annual Giving Society is comprised of like-minded people with a shared commitment to honor senior living with excellence, dignity and compassion. Coming together in the spirit of philanthropy for exciting events during the vibrant Palm Beach “season,” Annual Giving Society members celebrate their affinity for enhancing the lives of seniors in MorseLife’s care.

Each year, we deliver approximately \$10 million dollars of free or subsidized health care services to the poor elderly living in our community. By donating to our Annual Giving Society, you are playing a crucial role in raising the necessary funds to provide these vital services to the seniors in our care.

HOW WE *BEGAN*...

Our Founders Vision in 1983 was to have a rehabilitation and care facility that would provide quality programs and services with the highest standards of excellence, in an environment that respected Jewish identity and the tradition of honoring our parents and grandparents.

The dream of our founders so long ago was to create a **“city for seniors”** – an inclusive place where older adults of all abilities, religions and backgrounds could be served in long-term care, short-term rehabilitation, memory care, independent and assisted living residences, adult day center and through home and community based services.

WHERE WE ARE *NOW*...

At MorseLife, **our goal is to ensure that older adults enjoy full, rewarding lives in an atmosphere of luxury, outstanding services, and compassionate care.** Now spanning over 50-acres, our beautiful campus features exceptional all-inclusive Independent and Assisted Living, state-of-the-art Short-Term Rehabilitation and innovative Memory Care. MorseLife’s community based services offer Private and Skilled Home Health Care, and compassionate end-of-life support through Palm Beach Hospice and Palliative Care. We are also the exclusive provider of PACE (Program of All-Inclusive Care for the Elderly) in Palm Beach County, which provides a wide range of services to low-income seniors. Honoring our mission and evolving our vision for almost 40 years, we are continually seeking new ways to enable seniors to live meaningfully and well.

**HELPING YOU GET THERE
STARTS WITH KNOWING
THE BEST PLACE TO GO.**

Where would you go if there was no Morselife? Who would care for you if you broke your hip, had a stroke or heart attack and you needed physical therapy? We understand the prospect of entering any facility due to a medical setback can be daunting. At Morselife, our goal is to provide customized treatment plans at an award-winning health center with the highest level of service and care.

We set the bar in the community with a renowned multi-disciplinary team of physicians and support professionals in a resort-style setting.
